Introduction

ZYLOGTEK INSOLATION Solar Energy LLP is a leading name in the renewable energy sector, offering a vertically integrated range of photovoltaic (PV) solutions. Established in February 2019 and headquartered in Mumbai, we are committed to transforming the way energy is harnessed and utilized. With manufacturing facilities in Ratnagiri and Mumbai, our solutions cater to a wide spectrum of solar energy needs, including Solar Home Lighting Systems, Solar Street Lights, Solar Water Pumps, Charge Controller Units, and Rooftop Solar Systems for both on-grid and off-grid setups.

About Us

Since its inception, ZYLOGTEK INSOLATION has been driven by a mission to deliver high-performance and cost-effective solar solutions to clients across diverse industries. Our relentless focus on research and development enables us to introduce cutting-edge products that meet the growing demand for clean energy while adhering to stringent quality standards. We are dedicated to advancing solar technology to create a sustainable future for the generations to come.

Our Vision

To be a global leader in the renewable energy sector by providing innovative and sustainable solar solutions that empower communities, reduce carbon footprints, and drive energy independence.

Deliver high-quality, economical, and efficient solar products.
Promote the adoption of renewable energy across urban and rural sectors.
Continuously innovate to improve energy solutions and contribute to global sustainability goals.

Our Mission

Our Products

- ▶ **Solar On-Grid Systems:** Energy-efficient solutions that allow users to save on electricity bills by utilizing surplus power generated by their systems.
- ▶ **Solar Off-Grid Systems:** Independent energy solutions that store solar energy in batteries, ensuring uninterrupted power supply.
- ▶ **Solar Water Heaters:** Cost-effective and eco-friendly solutions for hot water needs.
- ▶ **Solar Street Lights:** Reliable outdoor lighting systems powered by solar energy, ideal for remote areas.

Sustainable Products: The Future of the World

At ZYLOGTEK INSOLATION, sustainability is at the core of our operations. Our eco-friendly and energy-efficient products are designed to harness the sun's abundant energy, reducing reliance on fossil fuels and minimizing environmental impact. By embracing solar technology, we aim to pave the way for a cleaner, greener planet.
